## **DO I GET TO SELECT THE IMAGES?**

Yes. Before sharing the gallery of photos via Pic Time I will get rid of the photos where you blinked, or were in the middle of the sentence, which is going to make your selection easier and quicker. You will select the amount of images that you liked according to the package purchased. If you would like to purchase more images, you have an option of upgrading to a more expensive package.

## **HOW WILL I RECEIVE THE FILES?**

You will receive the edited files within 7 days from when you picked your favourite photos (proofs) on Pic Time gallery. You won't be able to download files there, it is a service where you will be able to choose your favourite photos to be edited.

Once I will edit your favourite photos, you will receive them and all the rest of the unedited photos from the shoot in JPEG format via WeTransfer, which is an easy and free cloud-based online platform that allows to send files without losing quality.

Please keep in mind that download links expire after one week, so make sure you download them as soon as you receive the link.

## **BOOKING YOUR SESSION**

I require a non-refundable retainer, 50% of the total cost of the package to secure your session date and time, paid by bank transfer prior to the day of the photoshoot.

### ***What happens if you need to cancel the session or change the date?***

If you need to cancel the session for whatever reason or don't show up to the session, the retainer will not be refunded.

If I become sick or other emergency happens which will result in me not being able to do the session on the date booked you will be refunded the retainer or we can reschedule the session to another date.

If the weather is bad on the day we can reschedule the session to another day or if another day doesn't suit you, the retainer will be refunded to you.

The purpose of the retainer is to secure your date and time.

If you cancel last minute, I could have booked someone else during that period.

Once the retainer is paid, your session is booked in my calendar and we can both look forward to have a great time shooting.
